

SPONSORSHIP FORM

Desert Christian Schools has many opportunities for students that are tailored to their unique interests. Fine Arts, Athletics, and Robotics are not only three of our largest opportunities but also some of the most inclusive. Each program spans across both campuses connecting students of different grades.

As a school, we want to allow every student to **learn new skills, discover new interests, and build strong relationships while honoring and serving their Creator by using the talents He has given them.** Your sponsorship helps Desert Christian Schools accomplish just that!
