"I absolutely love the scrip [gift card fundraising] program! Being able to get gift cards at a drop of the hat for birthdays, weddings, holidays and just because has made my life so easy. As a teacher, I use scrip cards to buy supplies for my classroom and in turn, use my rebates to buy more cards to restock the items I need. Plus, when buying scrip, I also help out my Home and School Association...a win, win situation!"

"We have been using scrip [gift card fundraising] for a number of years now to help offset costs of my daughters' competitive cheer team. Without a program like this, my kids would not be able to participate in the activities they love as the cost would be too much for our family. This season, the money we earn from scrip will help take our athletes to the D2 cheerleading summit in Florida."

“When my wife and I decided it was time for a long overdue kitchen remodel we decided to use Home Depot scrip [gift cards] to pay for the project. Not only did the scrip pay for all the materials it also paid for the construction contractor who works for Home Depot. We earned \$1,732.00 in rebates toward tuition. The kitchen is over half way done and we couldn't be happier. We love the scrip program!”

"We started ordering scrip [gift cards] when my son was a freshman at Kennedy High School. The band was planning on going to Ireland during his junior year to perform in the St. Patrick's Day parade in Dublin. Friends and colleagues also joined in to make purchases through scrip and he was able to pay for the whole trip from rebates. There were several other band members who also were helped through their scrip funds. The Kennedy band won the best youth band at the parade! They also had several cultural exchanges with bands in Ireland. It was an experience of a lifetime."
