Special Medical Conditions or allergies _____

As part of the educational and community building experience, Eagles Basketball/Co-Ed Camp offers its participants the opportunity to join in a variety of activities. In order for a participant to take part in these activities, Eagles Basketball/Co-Ed Camp asks that parents understand the nature of the activity, approve the child's participation, acknowledge that all activities may present some chance of injury to the child, and agree that Eagles Basketball/Co-Ed Camp is not responsible for injuries that are an inherent risk of the specific activity (i.e. injury can result from the collision of players in a contact sport).

In case of injury or sudden illness, I hereby give camp instructors authority to take my child to a hospital or licensed physician to render immediate aid as might be required at the time for his/her health and/or safety. I understand that any medical expenses are my responsibility.
